There are two afternoons a week of one-to-one lessons, designed to meet the individual requirements of each student.

Prior to the first one-to-one session, students complete a Needs Analysis which helps the teacher to plan the one-to-one lessons according to the student's specific needs. Teachers then work closely with the student to ensure these needs are being met. All students receive a final report detailing their progress and outlining future areas for attention.

The Cambridge Examination Preparation Courses are designed to prepare students for one of the following Cambridge Examinations:

The Cambridge Examinations usually take place four times a year in March, June, August and December. Our courses are scheduled to finish on the week before the exam date.

One of the best ways for students to improve their English speaking is to choose homestay accommodation. Family life is informal and the people are welcoming, friendly and talkative, so students will have plenty of opportunities to practise speaking English.

All CES homestays are carefully selected and regularly visited by our Accommodation Officers, to ensure consistently high standards. All CES homestays are located close to our schools or public transport links.

Students must contact both the appropriate CES office and their homestay, to confirm both flight number and time of arrival. CES can facilitate airport transfer upon request.

*Please note that if a student wishes to leave their family, at least 7 days' notice must be given to the school. If 7 days' notice is not given, one full week's accommodation must be paid

How Will Students Be Met On Arrival At The Airport?

CES staff members who are in the Arrivals Meeting Hall will meet all students arriving at Heathrow. Our staff will wear a yellow polo top with Centre of English Studies written on it and with CES Staff on their back. All staff will also have CES welcome arrival signs.

If a student cannot find one of our staff representatives, or is delayed, they should telephone the school emergency number (+ 44 7875617403) and be prepared to say where they are in the Airport. Our meeting point for lost students in Heathrow is the Information Desk in the terminal they arrived in. We do not expect lost students to find their way to Terminal 1 (T1). If students cannot find the meet and greet staff, they need to go to the information desk in the terminal they arrived in and call the emergency line. Please do not make your way to terminal 1. Stay in the terminal you arrived at and call the emergency number.

Please note that students who arrive over two hours after their original scheduled landing time will have to pay for any additional costs involved in meeting them.

What Will Happen When Students Have Been Met?

Students at Heathrow will wait for their allotted coach.

When the students are first met, the staff will tell them at what time their coach from the airport will depart and arrange a meeting point where the students should assemble, nearer the transfer time. Our staff will supervise young students if they travelled as unaccompanied minors and at the pre-arranged time, the airport representatives escort the students to the coach.

How Long Will The Journey Take?

The journey to Worthing from Heathrow takes at least 2 hours. CES cannot be held responsible should there be any major delays on the way to Heathrow. We recommend that students buy some food and drinks to have before or during their journey. CES also recommend that students use the bathroom before taking the coach.

What Happens When Students Reach Worthing?

The CES coaches will arrive at Worthing train station. Adult students are expected to then make their own way to their families. There is a taxi rank beside the station or alternatively, the local CES representative can call a taxi for the student. The average cost of a taxi to a family from the station in Worthing is £6. For junior students we request that their host family is there to meet the student and take the student back to the family home. Most junior students are collected by their host family but occasionally students may be sent to their host family by taxi. This is organised by CES.

Are There Any Limits On Luggage?

Yes. Any suitcase or bag cannot exceed 20kg in weight and students should bring no more than two suitcases in addition to hand or cabin baggage. These restrictions are specifically to allow students' luggage to be stowed safely in the limited storage space of our transfer coaches.

Label it or lose it

All students must have their name and the school's address clearly marked on all their luggage and written again on a sheet of paper on top of their items within each bag.

Lots of bags look the same and it is easy to pick up the wrong bag at the airport, if it is not clearly labelled. Due to airline regulations, a client who picks up the wrong suitcase will have to go back to the airport to return it personally: this would be at the client's expense. If someone else picks up your baggage, it may never be seen again.

The following is an outline of the terms and conditions for bookings and payments for Agents and representatives of Centre of English Studies. The purpose of this list is to outline our conditions clearly and concisely and thereby avert misunderstandings. The Term "Agent" refers to any intermediary representing Centre of English Studies. Any disputes relating to accounts or services provided will, where necessary, be heard in the courts in the Republic of Ireland or the UK where the bulk of the service is carried out.

Enrolling on a Course

Where possible we ask that Agents complete the CES Registration Form. The CES Registration Form requests information on personal details, course, level, arrival information, transfer details and accommodation details. We would ask that Agents complete this form, or assist their clients to do so.

Booking and Paying for a Course

Group bookings - a 20% deposit is requested at time of booking with the remaining balance due for payment 2 weeks prior to arrival.

Individual Bookings - a deposit of €250 (Ireland)/ GBPE200 (UK) is required at time of booking with the remaining balance due for payment 2 weeks prior to arrival.

CES will then send Agents an e-mail, indicating the price of the course and accommodation and any additional services requested, with the commission already deducted. The total invoice will show the amount due.

For some countries' visa applications, full payment is required in advance before acceptance letters are issued.

Commission

Individual Bookings - Commission is paid in two ways: 1) Net invoice method or 2) Retrospective Commission method. CES invoice the Agent, who is paid the gross price by the client and then pays the net invoice fee to CES. Commission is calculated on our Public Price List and is paid only on Tuition Fees for Adults and on our total package price for Juniors.

Retrospective Commission Method

Clients are invoiced for the gross amount and commission is paid on Adult Tuition Fees and Junior Package Price. Deposits must be paid for students booked by Agents on the retrospective method. The Agents details must be clearly marked on each booking at the time of booking for commission purposes.

Group Bookings - Special group rates are agreed with Agents by negotiation. It is important to note that should this group not reach the number agreed upon, this will automatically invalidate the fee agreed and a sliding scale will then apply. CES will provide this sliding scale upon receiving a group booking. CES requires a 20% deposit on each group booking. Bookings will not be confirmed until the deposit, has been received by CES. It is important to note that deposits must be paid by the end of March 2016. **Balance must be received 2 weeks prior to the groups arrival.** Groups will be assigned to chosen centres on a first-come, deposit-paid basis. Failure to meet the terms outlined can lead to cancellation. CES reserves the right to close bookings once we have reached our quota in each Centre.

Arrivals

Group quotes include one group transfer on arrival and one group transfer on departure. Regarding flights arriving between midnight and 6am or delayed flights, CES reserves the right to hold students until 7am. *Small groups or individual students booked as part of a group and arriving separately to the group will be charged a transfer fee.*

If groups are arriving and departing to/from their accommodation at unsociable hours due to flight arrival or departure times CES reserves the right to charge a supplement fee to cover this.

Pricing

CES requires Agents to submit their price lists.

Misrepresentation

It is the responsibility of Agents promoting CES to give a true and accurate description of our programmes. Any such description must be submitted to the CES Marketing Department before printing. CES reserves the right to refuse bookings from an Agent who is misrepresenting our courses.

Adult Groups

Ireland - Accommodation is half-board from Monday to Friday and full-board at the weekends. If full board accommodation is required from Monday to Friday, CES Dublin can arrange this at an additional cost of €40 per person per week.

UK - Groups attending CES Wimbledon or Oxford, who wish to have full-board, will have to pay an additional GBPE30 per person per week. Worthing and Leeds are full-board all week.

CES reserves the right to terminate the contract in the following circumstances:

- The unruly behaviour of a student.
- Vandalism by a student.
- The committing of a criminal offence on the part of a student.
- In circumstances where the accommodation and facilities offered by CES are unsuitable to the special needs of a student.
- In circumstances where the behaviour and conduct of a student is such as to adversely affect the proper administration of the School.
- Where a medical condition needing special medicine and care is not advised on the Registration Form or when the booking is made.

Insurance

Students are not insured by the School, or by the host family, against illness, theft or loss of personal effects. Therefore the school accepts no responsibility in the event of such occurrence. Personal insurance cover is highly recommended.

Insurance should cover the loss of personal possessions such as laptops, cameras, and mobile phones as well as the loss of tuition fees if a student decides to cancel their course or return home early.

CES does not assume any liability for loss, delay or accident of any kind whatsoever which may occur due to the fault or negligence of any company, hotel proprietor, campus, hostel or any other persons carrying out ancillary arrangements.

Medical Insurance

IRELAND:-

Medical Insurance can be arranged at a cost of €100 per annum.

UK:-

If you are to travel as part of a group to a Centre of English Studies in the UK we can help you arrange insurance as part of your package price.

We advise all clients to take out full medical insurance prior to their arrival. CES cannot be held responsible for medical costs incurred if a student does not specifically request medical insurance cover. Citizens of the European Union countries should bring the E128 card with them.

Adult Classes

At peak times of the year, adult classes can take place at alternative premises other than our main teaching centres.

Junior Groups (Winter)

Where groups book mid-week to mid-week, it may not be possible to provide classes on the Monday and Tuesday of their last week. Additional tuition will be given in lieu of this during the afternoon period.

Group Leaders

Group Leaders will be supplied with a Group Leader Handbook, which outlines their duties. It is important that Group Leaders read this handbook carefully. Group Leaders are expected to attend the centre each day and to accompany their group on all social and cultural excursions and activities. Accommodation will be full-board in Dublin, Worthing and Leeds and half-board in Wimbledon and Oxford. In the peak month of July it may not be possible to provide single room accommodation for Group Leaders. It is not feasible for a Group Leader with a group at a Junior suburban centre to attend an Adult / Teachers Course at the city centre Adult School. We advise all Group Leaders to bring a mobile phone with them and to give this number to the centre principal in case of emergency. The host family phone is there for students to contact the Group Leader. The phone can be used in emergency situations only.

In the UK, for each group leader, Centre of English Studies must receive prior to arrival, a declaration of suitability to work with children from the agent or group organiser. Centre of English Studies will also forward all medical and consent to travel forms in advance of arrival for completion by parents/guardians.

Phone Calls

Students can only make emergency phone calls from the host family telephone under supervision. Agents will be responsible for recouping costs of calls made without permission.

Text Books (Adults)

Text books are not included in our fee and cost approximately €30 (Ireland)/£30 (UK). Agents who wish to include the book must advise CES so that the cost of the book will be added to each invoice. Book rental may be organised for groups only.

Accommodation

It is important that Agents make special requests (i.e. no pets, vegetarian, etc.) on their initial booking. It is too late to make these requests after students have been placed. Where a number of special requests are made for one student, CES reserve the right to fulfil what we feel to be the most important request. Agents should advise CES of any special dietary needs, such as lactose intolerance, gluten intolerance or coeliac. There will be an extra charge for students requesting a special diet of approximately €30 (Ireland)/ GBP£15 (UK) per week.

Smoking

Smoking is not permitted in any public buildings in Ireland or England (schools, residences, etc.). It is not acceptable to smoke in a host family home.

Public Holidays

CES will be closed on the following Public Holidays:

IRELAND - Please note that the school will be closed on the following dates: 1st January, 17th March, 25th March, 28th March, 2nd May, 6th June, 1st August, 31st October, 23rd December 2016 – 2nd January 2017.

UK - Please note that the school will be closed on the following dates: 1st January, 25th March, 28th March, 2nd May, 30th May, 29th August, 23rd December 2016 – 2nd January 2017

When public holidays occur on a Monday, students will begin their course on a Tuesday. No extra classes will be arranged to make up group lessons missed on public holidays and there is no refund of fees or credit given.

Please note there is no refund for clients who downgrade from Intensive to Standard Course during the first four weeks of their stay. After the first four weeks the fee can be refunded through the Agent at the discretion of a Director of CES.

Beginners arriving on dates other than the published start dates for beginners may have class in the afternoon, or at the lowest level operating at that time, or must take individual tuition. It may be necessary for absolute beginners to have one-to-one tuition until they reach a suitable level. Their group class fee will be offset against these charges.

Cancellation & cancellation fees

All cancellations must be notified in writing.

1. Accommodation Fees - notice provided of 2 weeks - full refund given.

2. Tuition and other fees:-

2.1 Notice provided of up to 14 days prior of the arrival date - cancellation fee of €250 (Ireland)/GBP£200 (UK).

2.2 Notice provided of less than 14 days prior to arrival - no refund given.

Where a visa has been refused, CES will refund fees to the Agent on receipt of evidence of the visa refusal plus the refusal number. All fees which have been paid will be refunded less the deposit of €250 (Ireland) /GBP£200 (UK). Where refunds are made by bank transfer, the bank charges will also be deducted from the balance.

If the intended commencement date of an English Language Programme is delayed because of visa problems, CES will not adjust your tuition or accommodation end date and no refund will be made.

Curtailement

There is no refund of fees for curtailment of a course after commencement.

These terms also apply to students who are part of a group. The cancellation fees will be waived if there is a replacement student.

Independent Course Selection Arrangements

If, for any reason, students make their own arrangements for further study in Ireland or UK, the contract between CES and the student will be considered broken and no refund will be made.

Expulsion

No refund.
