SCHOOL PROFILE

Montverde Academy boasts year-round sunshine, warm temperatures and is only 45 minutes from Orlando's famous Disneyworld theme park. A large, private boarding school for boys and girls in 7th through 12th grades, Montverde Academy's academic offerings include subject area concentration diplomas and 14 Advanced Placement and Honors courses.

FACILITIES

The sprawling, 150-acre campus has a professional-level fine arts center with a 450-seat auditorium, dressing rooms, a dance studio, music halls, along with art, ceramic and photography studios. There are soccer, track and baseball fields, tennis courts, two gymnasiums and an equestrian center that features 30 corrals and two riding arenas. In addition, students have access to the Kreke science building, a library with over 13,000 books and a state of the art recording studio.

SPORTS AND ARTS

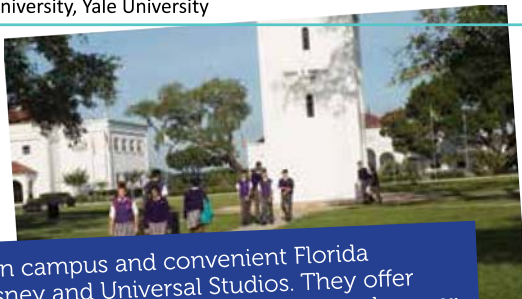

Montverde Academy draws serious student athletes because of its championship sports programs in soccer, golf, tennis and basketball. In fact, the Montverde Academy Center for Basketball Development is lead by Kevin Boyle, four-time National Coach of the Year. For students seeking to pursue their interest in the arts, they can take advantage of the up to date facilities with a variety of courses including film production, digital video and communications, as well as editing, journalism, and television and radio broadcasting

DORMITORIES AND STUDENT LIFE

The student residences consist of four houses that board students from over 41 different countries. Separated into boys and girls dormitories, each floor has its own recreation room where teens can spend time together playing ping pong or video games, watching TV or just socializing. It's a relaxed, warm environment where friendships grow.
