FACILITIES

The beautiful 80-acre campus features two modern gymnasiums, three swimming pools, five tennis courts, a lighted stadium and a baseball field. Kids gather to socialize at the yoga studio, the wellness center and the on-campus coffee shop. Information is readily accessible at the touch of a button with the latest in smart technology.

SPORTS AND ARTS

North Broward Preparatory's interscholastic athletics are top-notch. Its hockey team is known for its outstanding coaching staff — some of the best outside of the National Hockey League (NHL), but besides sports, its fine and performing arts programs are also standouts. They've recently joined with The Juilliard School to develop students' artistic abilities in the areas of music, dance and drama.

DORMITORIES AND STUDENT LIFE

Each student residence is staffed with full time dorm parents who ensure students' safety, monitor behavior and encourage good study habits. On weekends, teens from over 28 different countries take part in excursions and activities designed to build a sense of community and belonging.
