SCHOOL PROFILE

A unique school in historic New England, Groton-Dunstable Regional High School is a four year public secondary school with approximately 880 students. The administration and faculty foster academic and personal excellence in cooperation with the community. Through an evolving curriculum and 4x4 block scheduling, Groton-Dunstable cultivates skills and attitudes that encourage students to develop a spirit of inquiry, the disposition to adapt to changing environments, and the intrinsic motivation to become responsible, contributing citizens.

FACILITIES

The fairly new school campus (built in 2003) has state-of-the-art facilities and cutting-edge programs to stay in step with the changing global business and economic conditions. These facilities include an auditorium, science labs, sport fields, and tennis courts.

SPORTS AND ARTS

Students are encouraged to join any one of the numerous competitive sports teams and clubs. International athletic participants have the opportunity to participate in alpine skiing and ice hockey. In addition to sports, Groton-Dunstable offers some uncommon arts classes including Black and White Photography, Ceramics, and Graphic Design.

COMMUNITY INFORMATION

The towns of Groton (population 10,646) and Dunstable (population 3,300) are located in an area known as northwestern Middlesex County, about 1 hour from Boston. Thriving and prosperous, these communities are picturesque, safe and friendly places for international high school students to live and grow.
