Griffith University

Gold Coast - Austrálie

At Griffith, we believe in, strive for and celebrate the Remarkable
The remarkable people who better our world, the remarkable experiences that transform people and communities, and the remarkable contributions that change the future forever.
We know success often comes from being an exception to the norm-challenging convention, adapting and innovating, creating bold new trends and pioneering solutions ahead of their time. At Griffith, remarkable is the norm.
Since we started teaching over 40 years ago, we've been deeply connected to the Asian region, socially conscious and environmentally aware, an integral part of the community and heavily industry focused. We've also become a comprehensive, research-intensive university, ranking in the top 3% of universities worldwide.
Our teaching and research spans five campuses in South East Queensland and all disciplines, while our network of more than 200,000 graduates extends around the world.
